

CURRICULUM VITAE

INFORMAZIONI PERSONALI

Cognome e Nome	Dr.ssa DAL BELLO SILVIA
Contatto	silvia.dalbello@asst-bergamoest.it
Nazionalità	Italiana
Data e luogo di nascita	15/07/1982 Bassano del Grappa (Italy)

ESPERIENZA LAVORATIVA

Nov. 2020 - oggi:	Dirigente Medico I livello ASST Bergamo EST , via Paderno 21, Seriate. Attività prevalente: Diagnostica Senologica e programma di screening per il tumore al seno; RMN addome e pelvi femminile, Ecografia di tutti i distretti corporei (addome e pelvi, collo, muscoloscheletrica), Radiologia d'urgenza ed emergenza per il servizio di Pronto Soccorso.
Marzo 2017 – Nov 2020:	Congedo di maternità (2 figli)
Feb.2013 – Mar 2017:	Dirigente Medico I livello “Ospedale San Giacomo” (ad oggi sede dell’Istituto Oncologico Veneto -IRCSS) Castelfranco Veneto, via dei Carpani, 8 (TV) – Direttore: Dr. C. Biasiutti). Attività prevalente: Body-MRI e Imaging Oncologico.

Sep.2012 – Jan.2013: Esperienza libero professionale presso il reparto di Neuroradiologia dell'Università di Padova via Giustiniani 2, 35128 PD, Italy –Direttore: Dr. Causin F. Attività prevalente: diagnostica neuroradiologica;
Esperienza libero professionale presso “Villa Maria”(Via delle melette, 2 – 35138 Padova) – Reparto Radiologia – Attività prevalente: ecografia transvaginale e mammaria, ecografia addominale, TAC body.

FORMAZIONE ULTRA-SPECIALISTICA

Le esperienze qui elencate sono state effettuate su base volontaria successivamente al percorso formativo di specializzazione, ad integrazione dell'attività ospedaliera:

Anno 2022/2023 **Master online in “Breast Imaging: Mammoguide”** – Dr. Wade Hedegard – master in diagnostica senologica per immagini e approccio clinico alla patologia mammaria.

Dal 2021 ad oggi: Frequenza volontaria presso “**Centro Borgo Palazzo. Poliambulatorio medico per la donna**” – Direttore Dr.ssa Elena Fengoni – **Ambulatorio di Senologia**

Nov.2015 – Feb.2016: **Vincitrice Borsa di Studio per l'Oncologia dedicata a “Mario Boni”**
Frequenza formativa presso il reparto di Radiologia dell'Ospedale Universitario San Luigi Gonzaga – Orbassano (TO)
Attività prevalente: radiologia interventistica extravascolare (biopsie di vari distretti corporei, termoablazione di neoplasie epatiche e renali, crioterapia, iniezioni di tossina botulinica per il trattamento della scialorrea; terapie infiltrative articolari e muscoloscheletriche sotto guida ecografica), valutazioni pre-procedurali, selezione dei pazienti, monitoraggio post-procedurale.

FORMAZIONE SPECIALISTICA E TRAINING ALL'ESTERO

11 Luglio 2012 **Diploma di Specializzazione in Radiodiagnostica con il massimo dei voti** presso Università degli studi di Padova (70/70).
Tesi: “CT-cholangiography and MR-cholangiography using hepatobiliary specific contrast agents: morphological and functional imaging in patients affected by primary sclerosing cholangitis”

Mar. 2008–Jul 2012: **Scuola di Specializzazione presso il Dipartimento di Scienze Medico-Diagnostiche e Terapie Speciali** – Istituto di Radiologia – Università di Padova, Italy –Direttore: Prof. G.P. Feltrin

Ultimo anno di spec: Frequenza presso **Breast Unit - IOV** (Istituto Oncologico Veneto): Senologia clinica (US and Mx), tomosynthesis, US-guided biopsy.

Feb.2011–Sept. 2011: **Observership at Radiology Department of Addenbrooke's Hospital in Cambridge CB2 0QQ (UK) – MRI Department.**
Tutor: Prof. DJ Lomas, professor of clinical MRI and Director of MRI Department, Dr. E. Sala, Prof. AK Dixon and Dr. L Berman.
Focus: abdominal and pelvic MRI

17 Ott 2007: **Laurea Specialistica a ciclo unico in Medicina e Chirurgia con il Massimo dei voti e lode (110/110 cum laude).**
Tesi: “Expression of phospho-p38 Mitogen-Activated Protein Kinase (p38-MAPK) in lung of patients affected by COPD”.

PREGRADUATE TRAINING

Oct.2007–March 2008: Internship **Radiology** Department (Dr Guarise) – “San Bassiano” Hospital in Bassano del Grappa, Italy.

Oct.2006–Oct.2007: Applied laboratory **biotechnologies** at VIMM (Institute of Molecular Medicine of Veneto): practice with PCR (Polimerase Chain Reaction), electrophoresis and immunoassay.

2005/2006: Internship **Neurology** and Neuromuscular Pathology Department at “Sant'Antonio's General Hospital” in Padova – Clinical Director: Prof. Angelini.

2003/2004: **Oncology** internship at “San Bassiano” Hospital in Bassano del Grappa Anatomical Pathology Department attendance (Autopsy Service).

July 2001: High School Diploma (Scientific school) at the “G.B. Brocchi” High School in Bassano del Grappa (Italy) with top marks (100/100).

COURSES AND CONGRESSES

Dal 4 al 6 November 2022 – “Corso di Ecografia Muscoloscheletrica”. Branchini M, Agostini M, Giannotta M. - Milano

2021 SIRM Webinar:

15/03 Pleural neoplasm

29/04 Focus on liver pathologies

01/03 Overuse syndrome: the elbow

02/03 HCC

02/03 Coronaro-TC

05/03 Contrast medium administration in oncological patients

09/03 Female pelvis diseases

09/03 Solitary liver lesion: CEUS

12/03 Preoperative imaging

16/03 MSK ultrasound

23/07 Us of the bowel

02/08 Imaging of renal lesions: US

02/08 Imaging of renal lesions: CT

04/03 Covid in oncological patients

November 2021 – BLS course, ASST-Bergamo est

Sept. 2016 and April 2017: Italian School of Functional Medicine (SIMF) – I level

28th – 30th May 2016: “BIT 4th International Congress of Gynaecology and Obstetrics 2016” – **Barcelona**, Spain (**speaker**)

22nd January 2016: “Hepatic neoplastic disease: role of Clinicians, Diagnostic Radiologists and Interventional Radiologists” – “San Giacomo Hospital” Castelfranco Veneto, **Treviso** – Course director: Dr. Biasiutti C (**speaker**).

17th – 20th April 2016: “ECIO 2016 The Seventh European Congress on Interventional Oncology”, **Dublin**, Ireland (**speaker**).

15th – 16th February 2016: “Lung tumour: role of Radiologists in the multidisciplinary team” – University Hospital “San Luigi Gonzaga”, Orbassano (TO) – Course director: Prof. A. Veltri.

14th -15th January 2016 “Urgencies in neuroradiology: from images to pathology” - Ca' Foncello Hospital Treviso – Course Director: Dr. Di Paola F.

13th November 2015: “Infection and inflammatory disease of abdomen: from diagnosis to therapy” – Cremona – Course Directors: Dr. Grazioli, Dr. Sartorio

26th – 28th September 2015: CIRSE 2015 (**speaker**) – “Evaluation of safety and efficacy of TACE with degradable starch microspheres (DSM-TACE) in the treatment of intermediate-stage HCC: clinical preview” – **Lisbon**, Portugal

19th – 24th April 2015: ARRS **Toronto** Annual Meeting (**poster**)

“Brain MRI and angio-MRI: what GPs need to know” – Montebelluna (TV) – Italy (**speaker**)

19th – 19th June 2015 “Hot topics in liver MRI” – Brescia - Course Director: Dr.Grazioli

22nd – 25th May 2014 “Annual SIRM Congress (Italian Society of Medical Radiology)” – Firenze

10th April 2014 “Gd-EOB-DTPA, the news” – Brescia - Course Director: Dr.Grazioli

8th-9th April 2013: “Advanced Abdominal Imaging Course: the oncologic liver” - Ca'Foncello Hospital Treviso – Course Director: Dr. Morana G.

7thFebruary 2013: “Neuroradiology anatomy and semeiotics” - Neuroradiology Department of University of Padova – Dr. Manara R, Dr. Dal Pos S.

07th December 2012: “Diagnostic and Interventional imaging of female pelvic disease” – “SIRM Course (Italian Society of Medical Radiology) 92° Regional Meeting” - Ca'Foncello Hospital Treviso – Course Director: Prof. G. Mansueto (**speaker**)

Unless otherwise stated the following course and congresses took place at Addenbrooke's Hospital in Cambridge (UK)

09/03/11 “A Radiologic Topic”, Dr Herbert Kressel, from Boston

16/03/11 “Stroke Management in the 21st Century”, Dr Liz Warburton, from Brighton 21/03/11
“Constrast-Enhancement MR Angiography”, Dr S.J.Riederer, from Mayo Clinic, Rochester, Arizona

23/03/11 EARS (East Anglia Radiology Society) Meeting

- Topics:
- Angiogenesis and Imaging
 - Symptomatic breast clinics: how often do we miss cancers?
 - Radiopharmaceuticals: beyond FDG
 - Imaging Osteomyelitis
 - Neonatal brain ischemia
 - PET-CT in lung cancer
 - What's new in radiology? Questions and answers

30/03/11 “Chest Radiology: diseases characterized by cysts – and the odd balls!” Prof. Edwin van Beek, from University of Edinburg

07/03/11 “Cardiothoracic Radiology- a journey in time and place” Prof. Edwin van Beek, from University of Edinburg

07/03/11 “Measuring physiology with radionuclides in health and diseases” Prof. Mike Peters, from Brickton and Sussex Hospital

14/03/11 “Limb ischemia”, Prof G.H. Gillard, from Addenbrooke's Hospital

- 4/05/11 “Imaging of congenital cardiac disease” Dr Chris Occleshaw, from New Zealand
 “Orbit Pathology”, Dr Anant K. from Addenbrooke's Hospital
- 11/05/11 “Embryology of malrotation” Dr David Stringer, from Singapore
 “Degenerative disease of the spine” Prof G.H. Gillard, from Addenbrooke's Hospital
- 18/05/11 “Imaging in facial trauma” Dr Malcolm Cameron, from Cambridge University, UK
 “Neurofibromatosis” Prof J.H. Gillard, from Addenbrooke's Hospital
- 25/05/11 “Discrepancy meeting” Dr Vicky Young, from Cambridge University, UK
 “Spinal trauma” Dr J. Cross, from Addenbrooke's Hospital
- 01/06/11: Tutorial for Residents “Focal hepatic disease in children” and
 Forum “Steam cell tracking: clinically applicable approaches” Dr Heike E.Daldrup-
 Link, Contrast Agent Research Group at the Center for Molecular and Functional
 Imaging, Department of Radiology, from University of California, San Francisco
- 08/06/11 Tutorial for Residents “Traumatic injury of the foot”
 and
 Forum “Cartilage molecular imaging: hot topics” Dr T.Turmhen, from Stamford
 School of Medicine, UK
 “Introduction to HRCT” Dr Nicholas Screwton, from Addenbrooke's Hospital
- 15/06/11 DWI: application in abdominal and pelvis MRI”, Dr Bachir Taouli, from Mount
 Sinai School of medicine, New York. USA
- “Small airway disease: CXR and CT” Dr Nicholas Screwton, from Addenbrooke's
 Hospital
- 22/06/11 Tutorial for Residents “Reporting focal brain lesions”
 and
 Forum “H1-MR Spectroscopy in focal brain lesions” Dr Ahmet Agildere, from
 Baskent University Medical School, Ankara, Turkey
 “Interstitial lung disease” Dr Nicholas Screwton, from Addenbrooke's Hospital
- 29/06/11 Tutorial for Residents “False positive and false-negative in PET-CT”
 and
 Forum “Measuring and managing radiologist workload”, Dr C. Bearchester, from
 Christchurch Hospital, New Zealand
- “CXR projections: a survival guide” Dr A.D. Tasker, from Addenbrooke's Hospital
- July and August 2011 “Radiologic evaluation of cardiac and pulmonary disease: intensive course”,
 Dr A.D. Tasker and Dr Nicholas Screwton, from Addenbrooke's Hospital.
- 06/07/11 Cardiac 1 (The hearth on CXR, Cardiac CT part 1: indication, techniques and anatomy)
- 13/07/11 Trauma and intensive care radiology
 Pulmonary interstitial diseases (2nd level)
 Basic radiographic signs of chest diseases (2nd level)

03/08/11

Mediastinal disease

Cardiac 2 (imaging in pulmonary hypertension; disease specific signs; pulmonary artery; aneurysm; pulmonary artery sarcoma)

Disease of the chest wall and pleura

Pulmonary vascular thromboembolic disease and pulmonary hypertension

12th August 2011: “FRCR Course – Third Level” - Dr. Gerald de Lacey – FRCR Course (Red Dot Course) - Education Centre, Northwick Park Hospital, Harrow, London (UK)

11th August 2011: “The advanced Chest X-Ray Study Day” - Dr. Gerald de Lacey – FRCR Course (Red Dot Course) - Education Centre, Northwick Park Hospital, Harrow, London (UK)

10th August 2011: “The practical Course in Acute Abdominal CT Interpretation” - Dr. Gerald de Lacey – FRCR Course (Red Dot Course) - Education Centre, Northwick Park Hospital, Harrow, London (UK)

15th - 17th December 2010: “Advanced course of Body MRI” - Dr. Morana - Treviso (Italy)

11th – 12th November 2010: “Magnetic Resonance Angiography Course” A. Ragozzino, A. Vanzulli, G. Morana, L. Grazioli, M. Galia, E. Di Cesare – Treviso (Italy)

30th August - 3rd September: “24th Advanced Course of Medical Radioprotection” - Bressanone (Italy).

13th – 14th June 2010: “44th SIRM Congress: Italian Society of Medical Radiology Annual Meeting” (in particular MRI sessions) -Verona, Italy (**speaker**)

8th – 11th June 2010: “MRI in Practice” (formerly known as the Oxford MRI Course) – Zagreb (Croatia).

22nd January 2010: “CEUS: Contrast-Enhanced Ultrasonography” - Papa Luciani Meeting Centre – Padova (Prof. L.Rubaltelli).

18th December 2009: “Interventional Radiology” - SIRM Course (Italian Society of Medical Radiology) – Padova (Prof. D.Miotto).

6th November 2009: “Course of digital mammography” - Bassano del Grappa Hospital (Dr.A. Guarise).

11th Dicember 2008: “Milan Interventional Derby: biliary interventional radiology” - Humanitas Clinical Institute of Rozzano in Milan (Prof G.P. Cornalba).

14th – 21st November 2008: “First course of Magnetic Resonance and safety” - Bassano del Grappa Hospital (Dr. Guarise).

19th – 21st October 2008: “2008 Autumn Padova Muscle Days” - Terme Euganee, Padova (Professors Kern, Helgason, Fanò and Carraro).

From March 2007 to June 2008: “Radiological Swallowing Team Meetings” (1 section/month), Prof. G.P.Feltrin - University of Padova.

13th December 2007: “Prevention and therapy of infections in general, vascular and orthopaedic surgery” - Bassano del Grappa Hospital (Dr. Guccione).

22nd November 2007: “Course of Thoracic Pathology” - Ca' Foncello Hospital in Treviso (Dr.G. Di Falco, Dr.G. Santelli).

11th June 2007: “ Latent tuberculosis infection” - University of Padova (Dr. Zanetti).

8th – 10th March 2007: “2007 Guideline of rhinitis, asthma and COPD – ARIA, GINA and GOLD/ATS/ERS” - Ferrara (Italy).

MEMBERSHIP / AFFILIATED ASSOCIATIONS

- March 2008 – Present Day: SIRM Membership (Italian Society of Medical Radiology), MRI Group / Abdominal Imaging;
- March 2008 – March 2010: ESR Membership (European Society of Radiology).
- April 2010 – April 2013: Membership of ISMRMB (International Society of Magnetic Resonance in Medicine and Biology)
- April 2012 – December 2014: ACR Membership (American College of Radiology)
- December 2014 – Present Day: ARRS Membership (American Roentgen Ray Radiology)

LANGUAGES

Mother tongue: Italian

Other languages: English (C1)

POSTERS, ORAL COMMUNICATIONS AND TEACHING PRESENTATIONS

Speaker at ICGO 2016 - 4th International Congress of Gynaecology and Obstetrics, 28th -30th May, 2016, Barcelona, Spain. Title of presentation: *"Uterine fibroids embolization (UFE): planning, technique and follow-up"*

Speaker at CIRSE 2015 Lisbon, Portugal (27th September 2015). Title of presentation: *"Evaluation of safety and efficacy of TACE with degradable starch microspheres (DSM-TACE) in the treatment of intermediate-stage HCC: clinical preview"*.

Poster at ARSS Toronto 2015, Canada. Title of presentation: *"Evaluation of safety and efficacy of TACE with degradable starch microspheres (DSM-TACE) in the treatment of intermediate-stage HCC: clinical preview."*

Speaker at congress *"Brain MRI and angio-MRI: what GPs need to know"* – Montebelluna (TV - Italy).

Speaker at "SIRM COURSE - 92° Regional Meeting" - 07/12/2012, Ospedale Ca'Foncello di Treviso, Italy. Title of presentation: *CT-cholangiography and MR-cholangiography using hepatobiliary specific contrast agents: morphological and functional imaging in patients affected by primary sclerosing cholangitis* - S. Dal Bello, R. Motta, A. Mantovan, F. Merola, A. Floreani, D. Miotto.

Speaker at *"Fluoroscopical evaluation of swallowing disorders: clinical case of the month"* at the Radiological Swallowing Team Meetings (1 section/month), from March 2007 to June 2008, University of Padova, Italy.

Speaker at "44th SIRM Meeting" (Italian Society of Medical Radiology Annual Meeting) -13th, 14th June 2010, Verona. Title of presentation: *"Primary sclerosing cholangitis: morphological and functional evaluation by TC and MR, both with administration of hepatobiliary specific contrast-agents"* R.Motta, A.Tregneghi, S.Dal Bello, F.Merola, A.Floreani, D.Miotto.

Bergamo, 17 Marzo 2023
